

### Picture Submission Requirements

1. Send high quality electronic pictures to [ksculturechange@yahoo.com](mailto:ksculturechange@yahoo.com) with the name of the elder, and name of your organization. Include KCCC picture submission in the subject line.
2. No print photos can be accepted at this time.
3. Close pictures of elder's faces are preferable.
4. Pictures with staff, families, children, or other elders with elders are preferred.
5. Be mindful of what is in the background of your pictures. Busy backgrounds take away from the integrity of the picture.
6. You don't have to take out the "realities" of nursing homes of your pictures, but understand that anyone can see this site on the world wide web. Use your best judgment on what is appropriate to publish to the world.
7. KCCC only has a limited amount of bandwidth for our website. We may have to rotate pictures every month/quarter depending on how many pictures we receive.
8. Submitted pictures may be posted on the website or used for marketing materials for the Coalition. It is advisable that the submitting entity have the consent of the elder and any other person in the picture for this purpose.

### Examples of great pictures.

**We look forward to receiving your pictures!!!!**
